**Case No. 8:06CR244**

**ORDER**

This matter is before the court on the defendant's Motion to Review Conditions of Pretrial Release [21]. The motion is denied.

The defendant's proposed placement with his mother fails to adequately address the court's concerns as set out in the August 22, 2006 Detention Order [9]. Specifically, the proposed release does not significantly address the defendant's prior criminal history, four felony convictions, or his non-compliance with previous court orders based upon his prior record of failures to appear at court proceedings, and the October 2004 revocation of his parole.

**IT IS ORDERED:**

1. The defendant's Motion to Review Conditions of Release [21] is denied without hearing.

Dated this 16<sup>th</sup> day of October 2006.

**BY THE COURT:**

S/ F. A. Gossett  
United States Magistrate Judge
